### CHEAP RATES TO EXPERIMENT FARM.

Mr. Farmer: There has been a great deal of demand for cheap county excursions to the Experiment Station Farm, at Knoxville, after the crops are "laid by." These excursions will be conducted for the first time this year.

On August 19, the counties of Cooke, Hamblen and Jefferson will participate in the excursion. A special train will be run. For schedule and rates see posters to be issued by the railway company.

The rates from some of the principal points will be as follows: Newport, \$1.25; White Pine, \$1.10; Jefferson City, .95; Whitesburg, \$1.15; Morristown, \$1.00; New Market, .50c.

Bring your lunch with you so that the day may be spent on the farm. We are anxious to make this excursion a great success, in order that similar excursions may be conducted each year, and we would be glad to have you do everything you can to notify the people of your county about it and try to work up a good delegation.

Hoping to see you on the 19th, I am, Yours very truly,  
H. A. MORGAN, Director.

## Progressives Have a Word

Urge All Independent Democrats to Enter the Primary—Has Twenty Signers.

Nashville, Tenn. July 28.—As an outcome of a conference of progressive democrats held in Nashville this week with Senator O. K. Holliday, author of the state-wide prohibition law, presiding, an address was issued Saturday to the progressive democrats of the state. The address urges the Progressive Democrats to participate in the primary of Aug. 1, and support a progressive democrat form of government. Affixed to the address is found the names of leading progressive democrats from every section of the state. The great majority were members of the former state democratic executive committee of which Col. O. C. Barton was chairman. Col. Barton himself being among the signers.

The address sets out that a previous meeting of progressive democrats had been held at Nashville at which an address was issued signed by Gen. Jeff McCarn, Prof. G. W. Dyer and others, the purpose of which was to keep Democrats out of the primary. It is pointed out that General McCarn in April, 1910, had urged a primary plan very similar to that adopted by the state convention of this, General McCarn at that time being a candidate for Governor. It is also stated that in the recent primary held in Davidson county that Professor Dyer, General McCarn and others had urged progressive democrats to participate.

The signers of the address are J. H. Caldwell, Sam L. King, first district; W. S. Shields, G. F. Milton, second district; W. G. M. Thomas, J. J. Morford, third district; O. K. Holliday, Brown Swafford, fourth district; W. P. Hickerson, W. W. Ogilvie, fifth district; Luke Lee, James B. Newman, sixth district; F. M. Ewing, J. B. Walker seventh district; O. C. Barton, H. E. ## WELL DESERVED

The Praise That Comes From Thankful Newport People.

One kidney remedy never fails. Newport people rely upon it. That remedy is Doan's Kidney Pills. Newport testimony proves it always reliable.

Mrs. Elizabeth Frazier, E. Main St., Newport, Tenn., says: "I am certain that no other medicine is as effective as Doan's Kidney Pills in curing kidney complaint. I willingly confirm all I said in 1907, when I publicly recommended them. For ten years I was afflicted with kidney complaint. My trouble began with dizziness and a constant, dull ache across my back. The kidney secretions were also disordered and I was restless, getting up in the morning all worn out. After reading how Doan's Kidney Pills were helping other kidney sufferers, I got a supply from the Minnis Drug Co., and the contents of two boxes brought me complete relief. Since then I have taken Doan's Kidney Pills on one or two occasions and they have kept my kidneys in good working order."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
